Dear Carlyn,

See? I told you the rumor was true - really and truly I am playing a show! Please come and join me at this fantastic open mike in Jamaica Plain. I'm completely stoked to be playing out again!

And if that isn't enough open mike for you, then come and join me when I start hosting the Emack & Bolio's Open Mike Night on April 2nd! It'll run weekly up until they tell me it can't, probably sometime in November. It's been a long time since we've been there and I am welcoming everyone back with door prizes, a small *thanks* for waiting out the winter slow season with me.

Still want more music? JP Unplugged is presenting Anne Heaton with Laura Bullock on April 12th. I hope to see you there!

With love and appreciation for your support,

Carlyn

JP Unplugged Presents Anne Heaton & Laura Bullock - April 12!

[JP Unplugged @ Loring-Greenough House](#)

Date: Saturday April 12th
Time: 8 pm
Location: Jamaica Plain, MA

Our Saturday, April 12th show features [Anne Heaton](#) with [Laura Bullock](#) opening. Heaton's lyrics and melodies are complemented with uncluttered arrangements full of subtle counter rhythms and rich harmonies that give every tune its own unique soul. "The songs on 'Give In' explore how much to give in a relationship, where boundaries should be, and the ways in which intimacy can feel safe, fun, thrilling and scary" says Heaton.

Paid advanced reservations are highly encouraged as the shows are well attended, and we don't want to turn people away - seating is limited. Tickets may be purchased online at <http://www.jpunplugged.org>. We hope to see you for this fabulous show!
